

Recall Certification Form

Requirements to receive a refund for the purchase price excluding any shipping or handling charges:

- The serial number sticker located on the product
 - A copy of the receipt for claims over \$110.00. Consumers without a receipt will receive \$110.00
 - A signed certification on the form below that you have taken or will take the steps described for the proper disposal of the battery pack.
-

I certify that I have a Model ZT50420 ZETA by Jackco Pocket Jump Starter Deluxe Kit, with a July 2014 date code, for which I am requesting a refund from Jackco Transnational, Inc. and that I have done or will do the following:

- 1.) Discharge the battery pack.
-Turn on the LED light by pressing and holding the side power button for 5 seconds.
- 2.) Place the battery pack on a concrete pad away from flammable material.
- 3.) Let it stay lit until the battery is drained.
- 4.) Dispose of the battery pack in accordance with the rules and regulations in my locality. Go to www.call2recycle.org/locator and enter your zip code to find the nearest recycling location to drop off the lithium battery pack.
