Color Temperature	6200 K
Lumen	100/200
Beam Angle	140°
Length x Width x Thickness	11.25" x 1.375" x 0.28"

DESCRIPTION

This USB powered Slim LED Worklight is perfect for illuminating hard to reach areas. At only 0.28 inches thick it can fit into the tightest work places. A magnetic case and hook make it perfect to attach and hang in your work site. The light can also be used to inspect body panel imperfections.
